

Daxko Operations: More Sub-Roster Enhancements, Trusted Screening and More!

The last major Daxko Operations release was earlier this month (check the details [HERE](#) in case you missed it), but this week we have a handful of small but meaningful enhancements to round out 2023. From all of us here with Team Daxko, we hope you and your team have a great holiday season. We're looking forward to an exciting 2024!

Here's what included in this release:

- Sub-rosters enhancements
 - Trusted Screening notification updates
 - Design updates
-

Additional Sub-Rosters Enhancements

With this release, we've added a few enhancements to sub-rosters, making the creation and management of sub-rosters a bit smoother.

Quick Create feature: Have a camp program where you have the same sub-roster name and/or description for several instances? Good news! We have a time saver for you! Check out the user guide [HERE](#).

Trusted Screening: Notification Updates

As more and more associations use [Trusted Screening](#) within Daxko Operations, we're continuing to fine-tune those features. This release includes an update to the SMS and email notifications staff members can opt in to receive about potential and confirmed offenders attempting to access the facility. In order to provide staff members with more information, these notifications for onsite activity will now

include member name.

Also, early next year, we'll be introducing **guest scanning** features to Trusted Screening to supplement the automated screening capabilities. Stay tuned!

Finally, as a reminder, Raptor Batch Screening (provided by Raptor Technologies) will be discontinued at the end of 2023. Contact sales@daxko.com if you would like to learn more about Trusted Screening.

Design Updates

In our continuing effort to improve the usability and design of commonly used pages, we have made minor updates to the following pages and experiences:

- Edit Member Type
- Registration Cancellation - Multiple Segments
- Apply Discount - Multiple Fees

- Apply Recurring Adjustment

The above items will be available on **Wednesday, December 20**. Have questions or comments? Reach out to support@daxko.com.
