

Monthly Recurring Membership Donations

Donations are crucial for your association, and your team works hard to fundraise for annual campaigns, capital campaigns, and other causes. With this release, staff can easily add a **recurring donation to monthly membership dues**. Recurring donors can help give associations a predictable, effective path toward consistent fundraising growth—plus, donors love the option to give in a budget-friendly way!

We heard from associations that members want to see monthly donations as part of their monthly membership dues. This project is another part of our ongoing efforts to expand membership. Check out our recent release of [recurring program packages](#). And later this year, we'll be releasing new functionality for monthly membership add-ons and amenities.

Recurring Donations will be released to the training and live sites for all associations on **Wednesday, August 18**.

Monthly Recurring Membership Donations

Once campaigns have been set up to allow for monthly recurring donations, users can add one or more donations on membership dues setup. The recurring donations added to membership dues offer members one expanded membership experience and, therefore, a single price.

The screenshot displays the 'Membership Dues Setup' interface for 'Star Wars Galaxy'. The top navigation bar includes 'staging', 'Star Wars Galaxy', and various menu items like 'Membership', 'Programs', 'Child Care', 'Fundraising', 'Finance', and 'Appointments'. The user is logged in as 'daxko operations'. The breadcrumb trail shows 'Membership > Membership Information > Account Balance > Membership Dues Setup'. The main form area contains fields for 'Unit Name' (Peters, Charlie), 'Membership Type' (Family), 'Billing Method' (VISA), 'Draft Day' (28th), and 'Next Draft Date' (8/28/2021). The 'Billing Cycle' is set to 'Monthly' and is highlighted with a red box. The 'Total Monthly Dues' is \$100.00. The 'Membership' section shows a 'Full Rate' of \$91.00. The 'Fees' section is empty. The 'Donations' section, also highlighted with a red box, shows a single donation 'Send A Kid To Camp' for \$9.00.

Membership Dues Setup

Coming Soon...

We understand that associations may need some time to set up campaigns to allow monthly recurring donations, and we plan to continue enhancing this experience for staff and members. Within the next month, we'll be releasing changes that will accommodate returns of monthly dues that contain a donation. Stay tuned for that and more.

For more details about recurring monthly donations, read the full user guide [here](#).
