

# Daxko Operations Release: Pre-Approved Membership Discounts + Updates to Online Join Experience

With this Daxko Operations release, users will have the opportunity to try out new **Membership Discount Pre-Approvals** in their Training Sites. Plus, we've made some updates to the online membership join experience as well as updates to the edit pledge experience.

## Membership Discount Pre-Approvals in Training Sites

Former members are a great target audience for membership drives, and soon it will be simpler to facilitate these kinds of campaigns in Daxko Operations. This new feature allows staff to set up win-back campaigns and other membership promotions that can be targeted to and redeemed by specific pre-approved memberships.

## Updates to Online Membership Join Experience

Online membership joins are becoming more and more common, and we're continuing to improve that experience. With this release, we have created a smoother and more intuitive experience for potential members browsing and joining online. Read below for more details:

- In-house: Branch-specific "deep link" in branch settings
- Online: Select and edit location during online join
- Online: Improved membership type selection page

The screenshot shows the 'Branch Details' page in the Daxko Operations system for the 'Monroeville Area YMCA'. The page has a dark header with navigation links: staging, Monroeville Area YMCA, Membership, Programs, Child Care, Fundraising, Finance, Appointments, and daxko operations. Below the header, there's a breadcrumb trail: System Options > Branches > Branch Details. The main content area is divided into a left sidebar and a right main panel. The sidebar contains links to Branch Details, Branch Hours, Sites, Areas, and Area Reservation Setup. The main panel, titled 'Branch Details', contains a form with the following fields: 'Show Online' (a checkbox set to 'Yes'), 'Online Join Url' (a text field containing 'https://staging-ops.daxko-qa.com/online/join.aspx?cid=2002&bid=1' and highlighted with a red box), 'Branch Code' (a text field with '123'), 'Branch Name' (a text field with 'Monroeville Area YMCA'), 'Address Line 1' (a text field with '2197 South Mt. Pleasant Ave.'), and 'Address Line 2' (an empty text field).

## Enhancements to Edit Pledge Unit Search for In-Kind Gifts

This release also includes an updated layout to the 'Edit Pledge Info' page for **in-kind gifts** and an improved search experience when making corrections to a pledge unit. Read the [user guide here](#).

The above updates will be available on **Wednesday, June 8**. Please contact [support@daxko.com](mailto:support@daxko.com) if you have any questions or feedback.
