

Search Programs by Keyword and New Subsidy Payment Options

This release contains several notable updates, available to all associations on the live site on **Wednesday, August 5th**.

- Search Programs by Keyword added to the Live Site
- Child Care Third Party Subsidy Payment Options Added
- Program Registration Notifications for In House Registrations
- Program Promotions Event Log Addition
- New Prospect Conversion Report

Search Programs by Keyword - Live Site

Our new in house program search and registration workflow was added to your Daxko Operations Training Site on Wednesday, July 22nd. Now that we have received great feedback and excitement, we are adding this functionality to your Live Site! This new experience includes:

- Quick Keyword Search
- Cohesive In House and Online Registration Experience
- Quick Filters for Program Selection

Also, we received feedback that adding in a new permission to hide the Manage Programs menu item would be helpful, so we have added that in this release to your live site. Check out this release's [User Guide](#).

Child Care Third Party Payment Options

We know that more organizations are paying via stored credit cards or bank accounts for child care reimbursements. As we approach a new school year, we have added options for payment by bank account or credit cards, whether the method is stored or used one time.

Make Payment

Organization Name 3 Amigos

Payment Amount \$60.00

Payment Method *

Existing Billing Methods

- VISA (ending in 1111, expires 2/2023)
- Bank Account (ending in 3847)

New Billing Methods

- New Credit Card
- New Bank Draft
- Check

Cancel Pay

Program Registration Notification

Previously, a program notification was sent to a staff member only for online registrations. This notification was a copy of the receipt associated with the registration, and we have received many requests for the notification to be sent:

- for both Online and In House registrations
- with details about the registration, not a receipt

For this reason, we have added an all new registration notification email to meet your needs. This notification will be sent for Program and Child Care offerings to the staff email addresses listed for notification. It includes the information seen below, and will be sent regardless of how the participant registers.

Registration Notification

YMCA of Austin <@austinyymca.org>
To: Becki Irby

Registration Notification

Beau Smith (04200209-04)
Registered In-House on Aug 3rd at 7:18 PM

for 8/10/2020-8/16/2020
8/17/2020-8/23/2020
8/24/2020-8/30/2020
8/31/2020-9/06/2020
9/07/2020-9/13/2020
9/14/2020-9/20/2020
9/21/2020-9/27/2020
9/28/2020-10/04/2020
10/05/2020-10/11/2020
10/12/2020-10/18/2020

Promotion Event Log Entries Extended

The event log description when a program promotion is created or edited lacked helpful details. We have now added the Program ID generated by Daxko Operations to the description for the Add Promotion and Edit Promotion event log entries.

New Prospect Conversion Report

Finally, this release also contains a new prospect report to help your team track prospects who convert to members. To find this report, navigate to Browse Reports. Under the Member Information section, select “Prospect Conversion”. View more information [here](#).
