

Staff Notification: Small Changes to Daxko Operations

This release contains enhancement requests submitted by users and a few small changes from the Daxko Operations team. Here's an overview of the changes that you may want to make staff aware of:

- Branch ID added to Shift Close Outs
- Clarifying Language added to Corporate Portal Email
- New Custom Reports Data Source for Facility Usage - Point-in-Time Demographics
- Change Password button added to Member Details

These changes will take effect Wednesday, July 24th. To read all of the details, check out this week's [User Guide](#).
