

Updates to Maximum Duration for Schedule a Visit

Schedule a Visit - Updates Requested by You!

On Wednesday, July 19th we will add several enhancements to Daxko Operations: Schedule a Visit based on your incredible feedback.

This includes:

- Maximum Duration now includes options of 60 minutes, 90 minutes, and 2 hours
- The Member Experience adjusts automatically to the duration setting selected
- New Area Schedules Report to show visually and in detail the volume of appointments by time

Access all of the details in the Schedule a Visit Updates [User Guide](#).
